Objective

A Sinai University Computer Science & IT graduate, skilled in JavaScript, HTML, CSS, React, Next.js, and .NET. My academic journey included courses in Web Programming and Data Structures, complemented by personal projects like a car rental web application and a dynamic real estate platform. Eager to embrace challenges and learn continuously, I bring a blend of technical prowess and teamwork spirit, confident in adding value to any development role.

Education

BS in Computer Science & IT, Sinai University

- GPA: 3.0/4.0

- Coursework: Software Foundations, Computer Architecture, Algorithms, Artificial Intelligence, Comparison of Learning Algorithms, Computational Theory, Web Development, Design Patterns, UI/UX Design

    Sept. 2019 – June 2023

Experience

Front-End Developer Intern, Information Technology Institute (ITI, EG)

- Hands-on experience with HTML5, CSS, and Bootstrap.

- Deep dive into JS, ES6, and modern JS frameworks like React.js and Angular.js with some Node.js knowledge.
